

Why Victory Group?

Victory Group offers **hope and help to live free from addiction**. When we are under the influence of any addiction, overcoming it may seem impossible. We believe that the love of God, which includes goodness, kindness, and mercy, will cause a person to change. **It is our mission in Victory Group to show God's love** through prayer, accountability, willingness to serve, sensitivity, and above all, the Word of God.

Victory Group is a Christ-centered support group designed to minister to the needs of those addicted to alcohol, drugs, food, gambling, pornography, smoking, or other addiction, and to provide support to their family and friends. We strive to provide a non-threatening environment where your anonymity is protected.

Victory Group is **open to all people**, regardless of religious affiliation. As an outreach of Victory Family Church, we recommend that individuals be established in a local church. If you desire to be a part of a church body, you are welcome at Victory Family Church where we are committed to reaching the needs of people where the need is the greatest—in the heart.

About Us

Victory Group was founded as an outreach of Victory Family Church in October of 1999. Pastor John Nuzzo was presented with the idea of forming a group to minister to addicts who seek help and hope for recovery. Pastor John suggested training with Overcomers in Christ.

Victory Group started assisting people with drug and alcohol problems but has grown to include supporting people who deal with different kinds of substance and emotional addictions, as well as their family and friends. Additional groups now include separate women's discussion for those struggling with unhealthy relational issues such as co-dependency.

Our main goal is for people to feel accepted and loved regardless of where they are in life. Many times **people struggling with addiction need to know that they are loved so that**, with God's help, they can begin to make changes in their lives.

Blessing & Help

Each week we are blessed with an assortment of resources and food items which are available free of charge to all persons attending our meeting.

Victory Group needs men, women, and youth to help at our meetings on a rotational basis. Our volunteers come from all walks of life. They include recovering and recovered addicts, family members and friends of addicts, and others who have not experienced the pain of addiction in their lives but have a heart for reaching out to others.

Volunteers are needed for:

- Cleanup
- Greeting
- Serving
- Set up
- Leading groups
- Prayer team
- Security

If you have a servant's heart, a desire to help people, and are willing to serve in any of these areas, please contact us at 724-453-6272.

May the Lord make your love grow and overflow to each other and everyone else, just as our love overflows toward you. - 1 THESS. 3:12
