

Our Purpose

Victory Group is an outreach ministry of Victory Family Church. As a Christ-centered recovery group, we offer encouragement and hope to addicts and their family and friends.

Reaching people with the love of God is our main objective. We believe that the goodness, kindness, and mercy of God's love causes people to change. As a Christian recovery group, we give glory to Jesus Christ as the source of our recovery. People of all faiths are welcome to attend our life-changing ministry.

We believe that attending a church which is dedicated to teaching the truths of the Bible is critical to your recovery. If you aren't currently involved in a church, Victory Family Church welcomes you.
