

Victory Group – 12 Step Wrap Up

Now that you completed the 12 step group at Victory, how were you helped by the class?

In your own words write a brief summary of how you see your life going on in recovery, compared to what you believed about yourself and your future at the beginning of the course.

In your opinion, what do you think would improve the 12 steps program to help others in the future?

Name (optional) _____
